Note from Tim Hueston

Happy New Year, everyone.

Hope everyone enjoyed the Holidays.

Our main topic for our January meeting will be pests and diseases (of orchids, let's not bring your spouse or neighbors into this!). I'll have a short presentation and then we can have some discussion around what works for you, or what hasn't. We'll be voting on the by-law changes introduced at the November meeting since I did not receive enough email responses. Also, since we still don't have a venue for our show, please bring some suggestions. Finally, since we don't have an outside speaker selling plants, we can have a raffle, so bring any extra plants that you'd like to re-home. And don't forget to bring anything you have in bloom to show off!

Hope to see you on the 14th.

Regards,

Tim
